

Greetings SWVTA, as you should expect, your SWVTA rules committee has met via text and has unanimously decided to do the responsible thing and postpone our season until all of this craziness has subsided. As you are surely aware this corona 19 and related mandates are something that has not been seen in our country for a long long time. The more we act responsibly the sooner it will be over🙏.

For now we will say "season delayed" and as scheduled dates approach we will post if the event is on or postponed.

The upcoming event at DeSoto Motorsports Park in Mansfield, La. has been cancelled.

When all of this is over it will be difficult to tell if we over reacted, but it will be painfully obvious if we have under reacted.

Best wishes and prayers to all!!

See everyone soon, Jay
